HOFMEYR (Second Impression)

Dear Alan,

I said I would tell you about the corrections I have made on my own behalf. Apart from corrections to spacing or design, they are:

1. On verso of title page we have added:

First published October 1964
Second impression December 1964

There are not enough corrections to warrant our calling this a new edition.

2. On p.155 evocation
3. On p.162 Die Volksblad (not done by the printer, as requested)
4. On p.179, footnote: in the House deleted (not done by the printer, as requested).
5. On p.421, para. 4, should be 11 March, because in next para. you write 'A few days later on 16 March'. From the previous context it is clear that Hofmeyr was ill only for a few days, from 7 March. (Mrs Marquard pointed out this error.)

All the other corrections you have asked for have been made and checked and the printers are pressing straight on.

Yours sincerely,

Dani
