Dear Alan,

Thank you for your letter of the 5th inst.

I think you would have made an admirable Judge of the Supreme Court with your insistence on corroborative evidence; I can see your point, though. In my own mind there is no doubt that the events were as Theron related them. Why not arrange to meet him yourself next time you are here? (He lives at Milnerton and his no. is in the 'phone book).

Edith and I leave for the U.K. on the 22nd. (Friday week) and shall spend three months there. I am indeed fortunate to have this opportunity, especially as Toc H U.K. are paying for my passage. I had a most wonderful surprise yesterday when I was told that a sum of £100 from an anonymous source was through the kind offices of Don to be made available for me in London to spend on the trip. I really don't know what I have done to deserve all this good fortune.

If there is any commission you would like me to carry out on your behalf while I am over there please don't hesitate to let me know.

With all good wishes to Dorrie and yourself,

Yours ever,
