Dear Mr. Janisch,

Mr. Bull had a letter from A.T. Babbs of Capetown about HOFFIE and he says "He did not join the Capetown Baptist Church but he did link up with the Baptist Church in Oxford and was baptised there". I shall try, of course, to have this checked but I thought it might interest you. Do not, however, trouble to reply unless it suggests something further to you.

My wife and I send you our best wishes for 1952.

Yours sincerely,
