Mr. A. Paton,

Kloof,
DURBAN.

Dear Mr. Paton,

In the course of a conversation with Dr. H.N. Berliner on Saturday it transpired that he has three manuscripts in the handwriting of the late J.H. Hofmeyr on the subject of "United Nations" in his possession. I thought that, as the latter's biographer, you may be interested, and hinted so. Dr. Berliner responded at once and said that he would be happy to hand them to you if you would like to have them.

Ronny Anderson tells me you will be coming to Johannesburg about the 18th instant. If you would like the documents please ring Dr. Berliner (Telephone No. 784124, Pretoria) or me (Telephone No. 2-1156) when you are in this vicinity. If you are coming to Pretoria at all during this visit it would please me greatly if you would lunch with me and renew old acquaintance with one of your humble musket bearers on the National War Services Committee - I was Secretary for the Cape Eastern Province; of course you cannot be expected to remember that.

Kind regards,

Yours sincerely,

(T. WEIR).

P.S. Please excuse the typescript, Even I cannot decipher my hieroglyphics.
