My name is Axel Reiffenheim and I will work here at St. Michael's for the next two years as a GVS volunteer.

Your friend Brigitte from GVS-Berlin gave me a letter for you.

I would be happy if we could date, that I can give you the letter.

It might be easiest if you would send a letter to our Representative office at Maseru.

The address is GVS Maseru 100

Yours sincerely

Axel Reiffenheim
