Mr. Bert Reimer
Director
Mennonite Central Committee
Maseru, Lesotho

Dear Bert,

Thank you for your letter and the enclosed cheque for R56.00 covering the Baergs stay in my home.

Obviously, I could not accept payment for their stay, and as I explained to Wayne before he left, I will pass this money on to Phyllis Naidoo for her use in helping refugees and/or recently released prisoners.

Thank you, then, for this contribution to that cause.

Best regards,

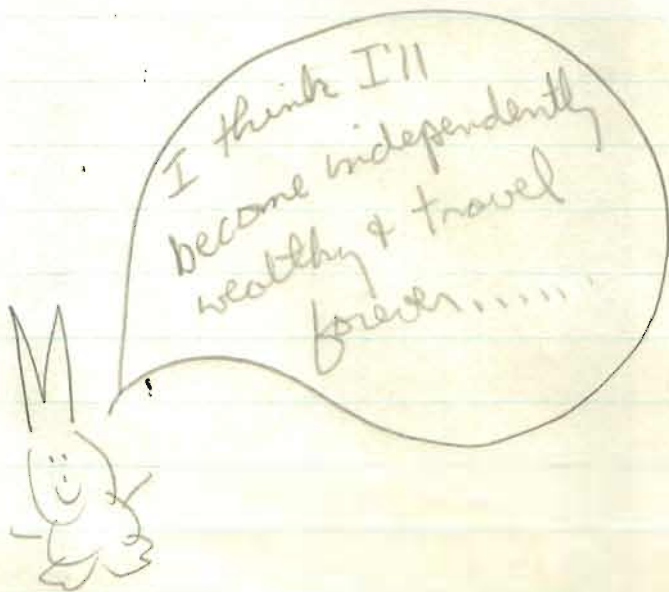

Monroe T. Gilmour, Jr.

P.S. Except for Bruno's snoring, the Baergs behavior was exemplary.

20/10/79.

10:00pm

And welcome
to you too!

Morrie
