Dear Mr. Roussos,

Before he left for America Francis Antonie told me that you had very kindly agreed to review the book on Detention and Torture for REALITY.

The arrangement was, I think, that you would do it when you could. No deadline was set.

I am writing to find out if you will still be able to do the review for us, as we certainly hope you will, and if you can give me any idea of when you might manage it? This is not to put pressure on you but to give me some idea of how to plan the next issues of REALITY. We have a deadline at the end of this month and thereafter at two-monthly intervals.

With best wishes,

Yours sincerely,

P.M.Brown.
