Dear Peter

Enclosed please find our cheque for R12.30 as per your invoice no.80.

Thank you so much for responding so promptly to my request for back copies.

Please ensure that all further copies are sent to the above address and that these should be specifically marked for the Librarian or the Library.

Looking forward to receiving the June 1988 edition: I really enjoyed Colin Gardener's assessment of Paton last night.

Yours sincerely

Jane Worsnip
