Dear Sirs,

Thank you for your letter of August 12th inquiring about Dr. Witte's subscription to REALITY.

According to our records Dr. Witte has been sent all issues of REALITY published to date. There was no issue published in March this year. Instead a special international issue was published early in May which combined the March/May issues. It is possible that this gap made Dr. Witte think he was no longer being sent the journal.

By now Dr. Witte should have received his JULY number of REALITY. If he has not, or is missing any of the earlier numbers, could you please let us know and we will send them to him?

Yours faithfully,

P.M. Brown.
