Beattie Building,
5, University Avenue,
Rondebosch,
7700.

Dear Christopher Saunders,

I am replying to your letter to say that we will certainly hand over the Hanlon review to you, but that we haven't yet had the Lelyveld!

Robin hasn't told us it might be on its way and it wasn't in our box yesterday. If you are writing to him about the Hanlon could you tell him this? I will write too, but your letter might reach him before mine does.

Regards,

Alan Brown
