Dear Professor Tomaselli,

I owe you more than one apology for not having
acknowledged receipts of your article sooner.

We had already asked somebody to write an article on
the same subject, but weren't sure whether it was going to materialise.

It has now come, even although we were not able to fit
it into our next issue, and at our Board meeting earlier this week, it
was decided that, as we had ourselves asked for the article, we must
give it priority.

I am therefore returning your article with this letter,
again with my apologies for the delay in doing so.

I hope that you received your complimentary copy of the
REALITY with your previous article in it.

Yours sincerely,

P.M. Brown.

for REALITY BOARD.
