Dear Chris,

I think we met briefly when Norman Bronberger was with you in Grahamstown last year.

Norman has shown me the preliminary material on your proposed Land Tenure workshop in November, which looks extremely interesting. As you may know REALITY has carried a series of articles on the subject and we would be very interested in having one which would tell our readers about what happened at the workshop.

Do you think there would be any chance of our getting such a thing to meet a deadline of the end of January? Our usual length is in the region of 3000 words.

With best wishes.

Yours sincerely,

P.M. Brown.
