Dear Peter,

REALITY would certainly like to use your "knocked-into-shape", as you  
yemtttm, remarks to the UTASA conference, as an article. Could you do the  
knocking into shape and then send it to us ?

Next deadline is the end of September, but we might not fit it into  
that one, although we would be more than happy to have it by then -- just in  
case other stuff we have asked for doesn't arrive in time.

The fact that I am not phoning you regularly anymore doesn't mean that  
both of you aren't very much in our thoughts. It just seems to me that evening  
phone calls which don't bring good news are probably worse than no phone calls  
at all.

Our love to Louise when you next see her.

Yours,

*Alan*
