Dear Mr. Baines,

Thank you for your letter of March 30th. We have given you subscriptions for the amount which we owe you.

Did you ever get a letter I wrote to you on February 5th saying we would definitely be interested in the kind of article you suggested, but asking for more details?

As regards your earlier question about possible local sources of information on Selby Msimang and Port Elizabeth, I suggest now that you write to Mr. John Aithison, 79, Ridge Road, Scottsville, Pietermaritzburg.

Yours sincerely,

Peter Brown
