Dear Sir,

Enclosed herewith for your attention is a copy of my most recent book, **A Scenario for Peaceful Change in South Africa**, which is presently on sale at R6,99. My previous book, **Multistan: A Way out of the South African Dilemma**, appeared in 1974 and was reviewed in Reality by the late Professor Edgar Brookes. I really would appreciate it if you would once again publish a review.

I believe that among the many scenarios which are constantly being put forward these days, this one is unique in at least two respects:

- It focusses on initiatives which might be taken by groups not in the government
- It discusses how a change of government might be brought about by peaceful means

I very much look forward to your reaction.

Yours faithfully,

P N Malherbe
