Dear Mrs. Theron,

Thank you for your letter of May 23rd.

The May deadline is for the number which is supposed to come out in July. Our problem is that we have an article which we specially asked somebody to do for that number and which deals with the question of unrest in general. The article hasn't arrived yet -- but we are still hoping it will !

We are having your article set and will use it in this next issue if the other person lets us down -- but if he doesn't, I think we will be obliged to give him priority and hold you over to the next issue. Personally I would like to have them both in this next issue, but I don't think they will fit.

Yours sincerely,

P.M.Brown.
