Dear Editor,
Please find enclosed a copy of an article on Trans-
kei's Tourist industry. I wonder if your could
consider it for publication?

Allow me to explain its history. I wrote it con-
sciously for a wide readership. I avoided jargon
and tried to make it an enjoyable read. I have thus
far sent it to both Suid Afrikaan and Frontline -
both said they liked it but declined to publish in
its present form. So in desperation I have now sent
it to Staffrider and Work in Progress. If you are
interested in publishing, please let me know. I shall
be away until mid July so there is no urgency on my
part.

Yours faithfully

Robert Morrell
