Dear Alan,

I had forgotten about your Cape Town trip until I phoned and got the message on your machine. I have decided to write and ask you the two questions I was phoning about so that the letter is waiting for you when you get back.

Firstly, would there be any possibility of REALITY publishing your Mmabatho lecture? We would like to do that.

Secondly, would you like to come to the next REALITY meeting and spend the night? Marie will be away, so we will be having the meeting here, and I have suggested to the others that they should stay on and have a drink after the meeting. It would be nice to have you there.

If you are worried about the drive and your back Vumani Dlamini could easily come and fetch you and take you back again..

Regards,
