Dear Mrs. Wotherspoon,

My apologies for the delay in replying to your letter of 23rd September.

I am enclosing your invoice, but without any reference to the period covered by the subscription. Reason for this is that we think your subscription expired in September ! We could easily have made a mistake, so could you please check at your end and then pay for whatever period your records show ?

Yours sincerely,

P.M.Brown.

for Reality Board.
