Dear Andre,

Thank you very much for your letter of 2nd March.

I think what REALITY would like would be your post-election assessment of the importance of the result. This would be not only the impact, if any, of the "New Nationalists", now and for the future, but also of the Right's importance for the future. And also how the NP itself, and the PFP, look at the end of May. All of it with an eye to the effect, again if any, of the election result on the thinking of the extra-parliamentary black leadership.

Sorry ! The scope of the article seems to have kept growing as I have been typing, so perhaps I had better stop. But could you manage something like that ?

With best wishes.

Yours sincerely,

*Alan Paton*
