Dear Friends,

Please refer to your letter of December 19, 1986.

We apologise for the delay in responding - we've now hired a staff member (me) so things should go smoothly.

We would like to order a total of 15 copies of each issue of Reality henceforth.

Copying your invoice No. 95 of March '87:

15 copies Reality @ .90  
= R 13.50/ issue

X 6 issues per year = 81.00

Enclosed is a Rand Money Order for R 81.00

We pay almost all our magazine subscriptions in South Africa with crossed postal orders - about 50 accounts. We'd be pleased to have more details on the difficulty in cashing them as this is the first trouble we've had.

Thank you.

Yours sincerely,

Bill Paton
