Dear Mr. Hale,

The reason you have not yet received our invoice is that our records show you as having paid up to our May issue of this year. So you are still in good standing and we will be sending you an invoice for the period for the year from the July number onwards.

If you have still not received number 6 for 1987 by the time this letter reaches you, please let us know. It will mean that your copy has disappeared in transit.

Yours sincerely,

P.M. Brown.
