Dear Afrapix,

The next issue of the periodical REALITY is largely devoted to the subject of local government and we are wondering whether you could supply us with pictures on some or all of the following subjects.

- a) A developed city centre and, for contrast, peri-urban squatter settlements;
- b) State of Emergency repression -- preferably but not necessarily illustrated from the Eastern Cape;
- c) Any pictures of action against the imposition of government local authority arrangements;
- d) Minister Chris Heunis;

and, on quite another subject, anything on the Bophuthatswana coup ?

If you have anything suitable could it be sent to
P.M.Brown,
P.O.Box 71,
Hilton,
3245

as a matter of urgency ?

Many thanks.

Yours sincerely,

P.M.Brown.

for REALITY BOARD.
