Dear Mr. Maharaj,

I am enclosing a copy of the January REALITY with an apology for the delay in replying to your letter. For some reason your letter was only passed on to me last week.

REALITY only comes out every two months, so there was no February issue. This year, instead of a March issue we are producing a double issue covering March/May and that is not available yet. If it has not reached you by the end of April could you please write to me again ?

Yours sincerely,

P.M. Brown.
