Dear Mr. Gardner,

I must start off by apologising for the delay in responding to your letter of 18th February.

I am afraid that REALITY has no employed staff at all and has the greatest difficulty in surviving even though all its contributors write for it for nothing. So we couldn't help with the kind of arrangement you are hoping to make.

I am sorry that we can't respond more positively but hope very much that you are able to find something else.

Yours sincerely,
