Dear Sir,

With regard to your request to use the Peter Wickens article from REALITY in the 1989 academic year, we certainly have no objection.

However, we feel that it would only be right to have the author's consent before doing so. He was at UCT when the article was written but we think that he has now left there. We are trying to locate him but suggest that you might be able to do so yourselves through contacts you may have in his field at Cape Town.

If we find him we will let you know.

Yours faithfully,

P.M. Brown.
