Dear Sirs,

Following your advertisement in the Weekly Mail of 24th June, please advise whether you offer any discount to booksellers as we would like to stock your journal for re-sale.

Also, are 1988 back issues still available? I was very intrigued by your advertisement which says you have been publishing since 1968, however, I have yet to come across any references or queries regarding the journal among the many academies here and researchers at other institutions.

Thanking you,

Yours sincerely,

CEDRIC SISSING
