Dear Mrs. Porel,

Thank you for sending us Rev. Schlimm's subscription.

He was not actually due to pay yet according to his card so I have given him a credit which will carry him through for two-and-a-half years.

In the past we have sent his subscription reminders to P.W.Schaberg at Parow East. Should we do the same when this present subscription expires ?

Yours sincerely,

P.M.Brown.
