The Chief,
Film Services ,
PRETORIA.

Dear Sir,

During this last week you sent us a batch of films which we had not ordered and which I returned to you without showing.

According to the duplicate application forms for films, which I have in my possession, we had applied for films for March 2nd and April 6th . We had already received and shown the films for March 2nd so clearly there was some mistake made in sending us the second lot. I imagine that they were actually the films ordered for April 6th.

I should be obliged if you would make some arrangement whereby this Association will be refunded the 8/- postage paid on these films.

Yours faithfully,

Social Worker.
