Dear Sir,

It is with a deep sense of gratitude that the Society records its thanks and appreciation to you for your kindly disposition towards the Society and its activities, in allowing the use of the Y. M.C.A. Hall for holding its Meeting on Sunday 11th October, 1953.

Your liberal outlook, your sincerity, and sympathetic attitude towards the non-Europeans are an inspiration to our Society to aim at higher ideals and we shall always look forward to your assistance and interest in our Society.

Yours sincerely,
