Dear Sir,

It is the desire of the above Union to promote and create interest in TABLE TENNIS amongst the various sporting circles in the city. Fully realising the great strides the members of your Association are making in the fields of sport.

My Union shall be pleased if you could affiliate one or more teams to our Union, thus creating a bigger field in this sphere of sport which is fast catching on in Maritzburg.

Sir, we would very much like to hear your views on this subject. Thanking you in anticipation,

I remain,

Yours in Sport,

I. Shunmoogum
