13th. July, 1971.

Dear Sir/Madam,

We enclose our 10 year warranty in respect of the Harvey Tiles installed on your roof by our agents Messrs. Holley Harvey Tile Roofing Erectors (Pty.) Ltd., but regret that due to a misunderstanding between them and ourselves these are very late in being issued.

Under the circumstances therefore we wish to advise that whilst the conditions regarding the registration of the warranty cannot be fulfilled, this condition will not be adhered to and this warranty is still valid.

We would request that the registration certificate be returned to us as soon as possible.

Yours faithfully,
HARVEY TILING COMPANY (PTY.) LTD.
