Estates Department,
PIETERMARITZBURG.

Dear Sir,

With reference to the accompanying application for accommodation, Mr. Singh, the applicant, has been employed by me as a Farm Foreman for the past 10 years. He has now been forced to stop work on account of his health.

Mr. Singh was resident in Pietermaritzburg before coming to me and now wants to return there, where his eldest son, who has just passed his senior certificate, has applied for a job. His second son, who has also just left school, is also seeking employment.

Any assistance you can give the family in obtaining accommodation will be appreciated.

Yours faithfully,

P.M. Brown
