Dear Peter

re: SALE OF STANDS : LOT 208 EDENDALE

Further to our discussion, I have pleasure in advising you that the Ministerial Authority to subdivide has been granted.

Messrs Bale Green & Morcom are arranging with Mr Symington to survey the land before Christmas.

Once the subdivision are clearly marked by beacons, you may come to inspect the stands and make your choice.

Terms will be mutually arranged.

I enclose price list and lay out map, showing stands that have been "booked".

I hope to begin selling in January 1979 when I have taken transfer of the land to myself.

I would suggest that, the signing of Deed of Sale be effected even before the subdivisions are registered.

Yours sincerely

EDENDALE ESTATE AGENCY
