Dear Peter,

re: ENQUIRY IN TERMS OF SECTION 8(1) OF ACT 38 OF 1927:  
THE FARM ZANDSPRUIT NO. 4977

In response to my letter to the Commissioner, Land Tenure, I have received a reply in which the Commissioner states that he did not call a "meeting" as such but merely called upon persons having an interest in land on Zandspruit to produce to him their Title Deeds or claims. He further states that he will be at Bergville for possibly some months and anyone owning or occupying property on Zandspruit should see him there at the Magistrate's Office.

I am not altogether persuaded that it would be in client's interests to ignore this altogether in view of the powers which are vested in the Commissioner by Section 8. If one bears in mind that the purpose of Section 8 is to investigate and determine the identity of the owner of the land, it would possibly be in our client's interests to present their case to the Commissioner. Would you please consider this and if you so wish contact me and we can have another talk about the matter.

Yours sincerely,
