Dear Mr Brown,

On behalf of the library, I wish to thank you for allowing the records of the Liberal Party to be microfilmed. I gladly agree to the following conditions under which the films should be held :

1. One copy of the film will be held by you
2. The original material will remain in your hands
3. Access to the microfilms will be given only after permission has been obtained from you.

It was unfortunate that the entire collection could not be filmed in the short time available. Hopefully at some time in the future it may be possible to complete the filming.

It may be that in the years to come you will feel that the restriction on the use of the microfilms is unnecessary. If this is so, perhaps you will be kind enough to let us know. I can assure you that the above agreement will be strictly observed.

Your kindness and hospitality to the staff who undertook the microfilming was much appreciated.

Yours sincerely,

*Anna M. Cunningham*
