Dear Mrs Brown

Thank you for your letter with a cheque for R12.00, for the two boys. Your cheque of R124.00 was received for the Boarding Fees of the two boys for which we thank you.

Just before we closed for winter holidays or even much earlier, we sent out circulars to the parents and guardians of every student informing them that the Boarding Fees for the last two quarters would be R65.00 instead of R62.00 each. This must have been sent to the father of the two boys.

According to the Prospectus the fees for the 4th quarter were due on or before the 1st August 1981. For the 4th quarter you will send us only R124.00 for the two boys.

Thanking you again for your co-operation

Yours faithfully

*J. C. Khonyane*
