Dear Mr Brown

The SAIRR (Natal Coastal Region) is compiling a memorandum on bus boycotts in Natal. Thus far, a draft memorandum has been drawn up mainly from press reports, but we would like to acquire more information.

I wish to contact the mayor of Ezakheni for further facts and it was suggested that you may either be able to negotiate a meeting for me with him, or supply me with his address. I am keen to get figures from him regarding wages, rent, transport, fares, employment etc. as soon as possible.

Thank you for your attention.

Yours sincerely

L. Rash
