Dear Peter

Enclosed is material about the National Education Union of South Africa (NEUSA). It has been sent to you because it was felt that you are sympathetic with its aims and principles. Our aim is to open branches in Natal and we hope you will join us in our efforts and will pass on the information to anyone you think may be interested.

The need for such a union of people involved in education is becoming increasingly apparent given the deepening crisis in our country and in our schools. Teachers need to reach across the barriers forced on us to work towards a common, non-racial and democratic education system that will meet the aspirations of all our fellow citizens.

If you are interested in joining please return the enclosed form together with the annual subscription. If you would like to hear more about the organization please contact the following people:

- (i) M.Hart 386 Loop Street, Pietermaritzburg
 (Telephone: Home - 29258 Work - 58200)
- (ii) J.Aitchison 79 Ridge Road, Pietermaritzburg
 (Telephone: Home - 65338 Work - 63320, Ext 592)

We will be holding house meetings in the near future so please contact us to let us know of your interest. Remember to spread the word.

Yours sincerely

M. T. Hart
