Dear Mr. Mouton,

Thank you for your letter of 8th August about Mrs. Ballinger.

I don't think I can answer all of your questions and in some cases, although I will try to answer them, the answers will necessarily have to be speculative.

I hope you won't mind if I put off answering them for a while. As soon as I have time I will get down to doing it. If you haven't heard anything from me by mid-September, please prod me at this address.

Yours sincerely,

Alan Brown
