Dear Mr Brown

My name is Anthony Egan and I am currently engaged in doing a B A Honours degree in History at the University of Cape Town , with a dissertation on Leo Marquard and the founding of the South African Liberal Party . Through my work in the Archives at UCT I found out that you were a close associate of Mr Marquard and I was wondering if you could provide me with information on Marquard.

The Marquard Papers themselves are highly illuminating but I would be most interested to find out how other people saw Marquard and his role in Liberal politics , particularly between 1945 and 1953. Unfortunately, due to a seminar course component in the Honours year I will not be able to travel up to Pietermaritzburg to meet with you personally . Would it be possible for you to write to me and give me some details that you remember about Marquard ? I enclose with my letter a list of some questions that interest me, some ( or all ) of which you may have information . However, please do not see it as a questionnaire, rather as a gauge of what I'm looking for .

I know that you are a busy person but if you do have the time to help me I would be most grateful.

Thanking you

Yours sincerely

Anthony Egan
