

PC 16/5/21/140

23th August, 1961.

The Hon. Secretary,
The Black Sash,
P.O. Box 88m
Orange Grove,
JOHANNESBURG.

Dear Mrs. Grant,
Your letter arrived this morning and the deed
has been done.

I think a registered letter sent direct
would reach him alright but in order to avoid the tie-up it
might be just as well to follow past procedure. It certainly
is no nuisance to me.

I hope Bobbie Cluver will be out of hospital
soon.

Yours sincerely,
