Dear Mrs. Leon,

I am sorry I have not been able to reply to your letter about Kumalosville sooner. I had hoped to ^{see} Mr. Roberts before doing so to discuss your letter with him, but I simply have not been able to make contact this week. Now, I hear, he is to be in court most of the rest of the week, so it looks as if I ~~won't~~ won't be able to have a proper talk with him before next week. As soon as I have, I will let you know.

There is one other point that you might be able to clarify for me. I have heard that funds are very short and I wonder, when you say that you have agreed to assist Kumalosville up to an amount of £200, whether this is a definite undertaking or whether it is what you hope to be able to manage? If you could let me know this when you have time, I would be most grateful.

In the meantime, could you thank your committee very much for this offer of assistance?

Yours sincerely,

W. Brown
