CONFIDENTIAL

Dear Mr. Brown,

Your name has been given to me as a reference by

.....Mr.N.L.Alcock.....

who has applied for entry to Michaelhouse for his son.....~~David Francis~~...

In selecting boys for entry I am influenced by the following considerations:-

- (a) Is the fact that Michaelhouse is a Church School of any real concern to the parents in their choice of school?
- (b) Is there any physical or psychological abnormality in the boy which might make him unlikely to benefit from schooling here?
- (c) Are the parents likely to cooperate with us in our endeavour to turn out a decent, Christian citizen with a proper sense of values?
- (d) Is there any danger that the parents, even with the assistance of a bursary, may be unable to discharge their financial obligations to the school?
- (e) Is there any other circumstance which affects the issue?

The boy's academic suitability can be judged from the Entrance Examination. If you can help me in answering the other queries either by returning this form with remarks written in or by a letter I will be most grateful.

Your answer will be treated as entirely confidential.

Yours sincerely,

R.T.S. Norwood  
RECTOR OF MICHAELHOUSE
