Dear Peter,

Thanks for the information about Bokide Mzolo. I would suggest if he is looking for a job now, that he approach HELWEL, Private Bag 802, Melmoth 3835. David Levine's scheme may take some time to get off the ground, but Helwell is running a community development scheme, which to all accounts could do with a few tough and able people. He should speak to Larry Gilley, who is running the educational side, or Zeb Mthethwa, who is the director, but is newly appointed and may not be back yet. HELWEL operates from KwaMagwaza, and maybe John could take him up one one of his trips there.

I hope you and John are able to sort out something for Mnguni.

yours ever,
