The Editor,
The Natal Witness,
PIETERMARITZBURG.

Sir,

One hopes that your correspondent, Anti Terrorist, in his enthusiasm for the Terrorism Act, reads all there is to be read about it.

If he does he will have seen that seven Terrorism Act detainees have been released, without being charged with any offence or called to give evidence of any offence, after being held in solitary confinement for over a year.

Who was doing the terrorising here ?

Yours faithfully,

P.M. Brown.
