Dear Mr. Shabalala,

Mr. Msimang has gone to Swaziland for a holiday for two months.

Before he left he received the enclosed letter from the Kwa-Zulu Government. I spoke to him about it before he left and he asked me to send you this copy. He suggests that you take it to the lawyers Madonsela, Nkosi and Co., in Newcastle, and discuss with them what you should do next.

Thank you for your letter of June 24th which I received safely.

I hope you are well.

Yours sincerely,

Peter Moyo
