PLESSISBAER.

Dear Mr. Nzimande,

Some weeks ago I received from the University a form to complete on your behalf. They told me that you had given my name as a reference when applying for a post.

I have been trying to find you since receiving the letter from the University, because I am not sure where I have met you.

Could you please let me know where we met and when ?

Yours sincerely,

P.M. Brown,
