Dear Sylvia,

Thank you very much for your letter which reached me last week. I also had a letter from Arthur last night, and it seems that the money arrived safely and that he is settling in.

For some reason I only sent R650,00 originally but when I received the telegram I wrote to the Registrar and sent him the balance of R22,00. I also asked him to let me know what the full balance of fees for the remainder of the year would be.

If you do not manage to get the bursaries I will try to meet the rest of Arthur's fees for the year, in the hope that he will get a bursary or loan for next year's fees. I would like the money repaid, so that it can then be used to help somebody else, but you should not do this now if it is going to be difficult for you all. If necessary I would be prepared to wait ~~and~~ until Arthur had qualified and he could then repay the loan at a rate which he felt he could manage.

Let me know what you think of all this.

Yours sincerely,

Alan
