Dear Ernie,

I tried to phone you earlier today but you were all either sleeping or farming.

I had to phone Tony Brink about something this morning and he asked me if there was any prospect of the Fund helping to support Peter Magano, just back from 17 years on Robben Island and unable to find a job. Could you talk to Tony about it -- and if there's anything left over after you've talked to him, REALITY could do with a friendly gesture.

I had a beer (more than one beer, as a matter of fact) with a dozen or so Mitchells last night. John hasn't yet heard anything from the Henderson/Krige gang.

Love to you all.
